

Upper Saucon
Township Residents

We need your help in planning new parks!

Upper Saucon Township Community Parks
Visioning Meeting

Wednesday, Jan. 25; 6:30PM @ SLPL
(snow date: Mon. Feb.6)

WE WANT TO HEAR FROM YOU!

What do you think should happen with these parks?

What should be added?

What should be preserved & protected?

What should be changed?

Upper Saucon Township is looking to expand passive recreation and environmental education opportunities with the creation of two new sustainable community parks!

Using grant funding from the Pa. Dept. of Conservation and Natural Resources, we are in the process of preparing Master Site Development Plans for these sites and we need your input!
