## **FEEES TO CONNECT TO THE PUBLIC SEWER SYSTEM**

<b><u>1) CONNECTION FEE</u></b>	<b><u>FEE</u></b>
Service laterals installed by Township staff or contractor as part of a Township or Authority sewer extension project. This fee is based on the estimated cost of installing an “average” lateral and connecting it to the sewer main.	<b>\$ 800.00</b>
<b>OR</b>	
Service lateral installed by Owner. This fee is based on the Township’s estimated cost of installing the saddle connection on the existing sewer main and inspecting the installation of the sewer lateral between the main and curb line.	<b>\$ 800.00</b>
<b>OR</b>	
Developer or Owner constructs both the main and lateral	<b>\$ 0.00</b>
<b><u>2) CUSTOMER FACILITIES FEE</u></b>	<b>\$ 200.00</b>
The property owner is responsible for installing the lateral between the house and the curb. This fee is intended to cover the Township’s costs associated with inspecting this lateral.	
<b><u>3) TAPPING FEE (PER EDU)</u></b>	<b>\$3140.00</b>
This fee allows the Township to recover capital costs associated with the sewer system.
